

The  
Choice of  
GOOD  
TASTE

in  
MARMALADE

● C & B Pure Seville Orange Marmalade makes an instant appeal to discriminating tastes. Its delightful bitter-sweet tang is different . . . stamping it at once as something out of the common run. That is why C & B has been for three centuries the choice of housewives throughout the English-speaking world. They realize *it's better to buy bitter. Your taste will tell you, too!*

TRY THESE FLAVOURSOME C & B SAUCES!

ADD PIQUANCY TO  
YOUR MEALS

**C & B THICK SAUCE**  
For Steaks, chops, other meat dishes, C & B THICK Sauce is the ideal relish. Its piquancy is inimitable.

**C & B THIN SAUCE**  
For fish, meats, soups, for giving tang to a tomato cocktail, C & B THIN (Worcestershire) Sauce is "just the thing."

**C & B MINT SAUCE**  
Lamb calls for mint, and C & B Mint Sauce is the handiest, most satisfactory way to apply this essential touch.

**Crosse & Blackwell's**
