### **PERFORMANCE**

7. Participants may not enter the same piece in more than one class.
8. Repertoire may not be used as an 'own choice' selection if the participant has performed it at the previous year's Kinsmen Music Festival.
9. Changes in repertoire are not accepted after the application has been received. No exceptions will be made. If a participant plays a piece not stated in the official program, s/he will receive an adjudication, but no mark will be given and he/she will not be eligible for medals, trophies, or possible selection for The Concert of

the Stars. Please be sure to complete your registration form(s) carefully.

10. Performers are not permitted to rehearse in the official hall in which the competition is to be heard.
11. Students are asked to arrive 15 minutes before the start of their class. When the class is called, they should hand in their music for the Adjudicator—full original scores only—please see Rule #15. The music can be picked up after the class has finished.
12. Participants will be summoned to perform by the Festival Performance Announcer.
13. The adjudicator will signal the performers to commence their performances.
14. In classes where an accompanist is required, singers and string participants must provide their own 'live' piano accompanist. Singers and String participants may not accompany themselves, nor may they use prerecorded background tracks.
15. In Conservatory Voice classes repeats may be observed if set by the Royal Conservatory of Music syllabus. Ornamented da capos are to be observed where applicable. In Vocal Show Music repeats may be observed at the discretion of the teacher.
16. In the Pop Piano classes a photocopy of the selected piece *must be submitted* with the official registration form(s) for verification of level. If the Festival Music Committee deems that a submitted piece is not of an appropriate level—i.e. more than one grade level above or *any* level below the stated grade or level on the official registration forms, the participant will be asked to substitute another piece at the appropriate level.. Photocopies will be destroyed after level has been confirmed.
17. In all piano and strings classes—including duet and ensemble categories—repeats are not to be observed unless specified by the festival syllabus or by the Royal Conservatory of Music Syllabus. Dal segno and da capo sections are not considered to be repeats.
18. In all categories the participant must supply the adjudicator with the edition they are using for their performance. In categories with set pieces or editions, the score must be as specified in the festival syllabus or Royal Conservatory of Music or Conservatory Canada Syllabi (where applicable). Participants who do not have an original score of their edition for the adjudicator will not receive an adjudication or mark, but will be allowed to perform their piece.
19. **PHOTOCOPIES WILL NOT BE ACCEPTED** for use by the competitor or for the adjudicator's copy unless accompanied by legal authorization by the copyright

holder. Performers with accompanists must also provide the Adjudicator with full original scores of their music. All copyright laws must be observed. Competitors who use photocopies or hand written copies will be allowed to perform but will not receive a mark or an adjudication. Accompanists may use photocopies provided there is an original copy of the music face-up on the piano or piano bench.

20. In classes where time limits are specified, these must be observed. Penalty points could be deducted for failure to comply with the time limits. At the end of the time limit the performance may be halted. Competitors would then be judged on what they have performed.
21. Adjudicator's written comments will be given to the performers at the end of each class.  
Performers, parents, and teachers are not to approach the judge before, during, or after adjudication. Complaints and concerns should be directed to the Kinsmen Music Festival chair or a representative designated by the Kinsmen / Kinettes Clubs of Cornwall. Therefore anonymous complaints will not be handled. However any complaints/concerns received will be dealt with in a confidential manner through the Kinsmen designate
